

Governor's Fitness Awards: One in a Million

Presented by The Michigan Health Ministries of Ascension Health

Charles T. Kuntzleman Award Application

The Role of the Governor's Council on Physical Fitness, Health and Sports and the Michigan Fitness Foundation

The Governor's Council on Physical Fitness, Health and Sports and the Michigan Fitness Foundation (GC/MFF) work to encourage Michiganians to take responsibility for their health by creating a physically educated population with the knowledge and skills to enjoy a healthy, vigorous and safe lifestyle in communities designed to support physical activity. A summary of various programs of the GC/MFF follows:

- To create a physically educated population, the GC/MFF has developed EPEC, the Exemplary Physical Education Curriculum, which provides our youth with the skills, knowledge, competence and confidence to be active for life.
- To help communities provide environments that support physical activity, the GC/MFF offers Promoting Active Communities Awards. This online tool is used by Michigan villages, cities and townships to assess opportunities for active lifestyles and was developed in partnership with the Michigan Department of Community Health.
- The Safe Routes to School program provides a framework in which schools can access the neighborhood environment around the school and make recommendations that make biking and walking to school safer. This program is funded by the Michigan Department of Transportation.
- Events including ACES (All Children Exercising Simultaneously) and the Mackinac Bridge Labor Day Run bring statewide attention to the importance of physical activity.
- The Endorsement Program highlights hundreds of physical activity events held throughout Michigan providing local opportunities to choose physical activity as a way of life.

The Governor's Fitness Awards

Each year, champions of physical activity emerge through the Governor's Council programs, events and partnerships. There are also countless Michiganians working to support or engage in physical activity that are role models to the rest of the state and are deserving of recognition. The awards event serves as a platform of appreciation for these citizens as well as a fundraiser for the Michigan Fitness Foundation.

The Charles T. Kuntzleman Award

Worthy recipients of the award will have overcome great challenges to pursue physical activity as a part of their daily routines. The Charles T. Kuntzleman Awards are named after the former Chair of the Governor's Council and Michigan Fitness Foundation. His vision and leadership brought the organization to where it is today, impacting the lives of more than one million Michiganians. Dr. Kuntzleman is the author of several books including *They Accepted the Challenge*, describing people who, despite great obstacles, have pursued a life of physical activity. He is an internationally reknowned fitness and health expert, and was inducted into the National Fitness Hall of Fame in March 2008.

Application Deadline: August 15

Nomination Form to Recognize an Individual for the Charles T. Kuntzleman Award

Your Name _____
(First) (M.I.) (Last)

Your Phone Number ____ () ____ - _____

Your Address _____

Your Email _____

Your relationship to the nominee _____ I am nominating myself

Nominee Name _____
(First) (M.I.) (Last)

Nominee Address _____

Nominee City, State, ZIP _____
(must be a Michigan resident)

Nominee County _____

Nominee Phone ____ () ____ - _____

Nominee Email _____

Nominee Age _____ Nominee Race _____ Nominee Gender ____ M ____ F
(optional) (optional)
